

The Power to Surprise

The New Kia

SPORTAGE

The New Kia Sportage

For journeys, not just destinations.

The New Kia Sportage is all about offering you more than you'd expect. More breathtakingly distinct design. More cutting-edge technologies. More advanced features to enhance your comfort and safety. More reasons to get out and seize each day. It's about discovering a whole new way of seeing the world. Exploring. Venturing out. Going far and not so far. Finding new adventures, and new places. With so much innovation, style and comfort to enjoy, the New Sportage is the perfect car for making every journey count.

Exterior design

Striking. Regardless of the backdrop.

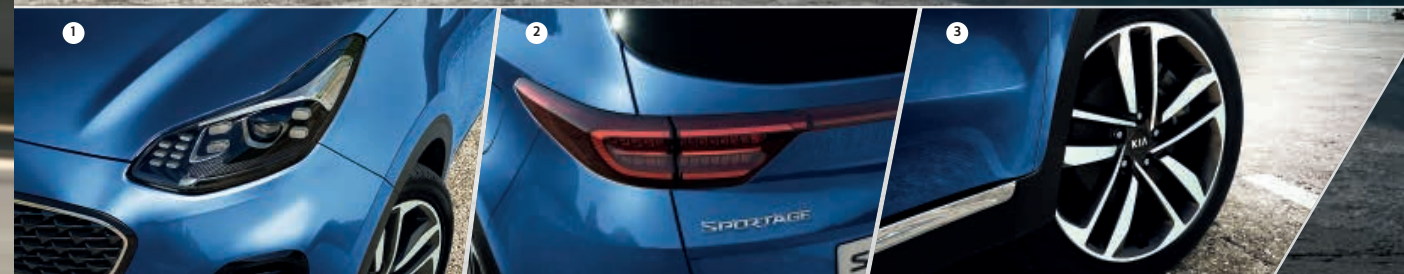

The stunning New Kia Sportage manages to stand out no matter where you are. Whether you're in the city or making your way off the beaten track, cruising the open road or parked right at home, the New Sportage is the perfect combination of sportiness and style. Designed and produced in Europe, with distinctive, innovative design and truly striking features, the New Sportage offers you pure refinement for every adventure you can think of.

Exterior design

Refinement redefined.

You'll make a statement in the eye-catching New Kia Sportage – without saying a word. The distinctive exterior design features a commanding side profile, a muscular stance and a bold front and rear design. The sculpted front bonnet with the Kia signature grille gives the New Sportage an unmistakably sporty appearance. And to round things off, touches like the sweeping rear lights add sleek style.

1. Eye-catching full LED headlamps and distinctive 4-point LED Daytime Running Lights ensure the road ahead is always crystal clear. (Grade dependent)

2. Striking rear LED lights deliver powerful illumination – and a memorably unique look. (Grade dependent)

3. Bold 19" alloy wheels with silver machine finish add even more stand-out style. (Grade dependent)

Interior design and quality

You won't just see the difference. You'll feel it.

You'll want to be very hands-on in the New Kia Sportage. Full of soft-touch materials, high-end finishes and the utmost attention to every detail, the interior of the New Kia Sportage is just as comfortable as you'd imagine. From the stylish seats to the use of premium quality materials throughout the cabin, there's no shortage of features to make you feel right at home. The ergonomic cockpit is fully oriented towards the driver – with everything perfectly placed for you to use or view with ease. While the upper part of the dashboard offers a convenient eye-level display zone, the lower, easy-to-reach command zone puts everything you need within reach. It's a beautiful mix of innovation, comfort and world-class design.

1

2

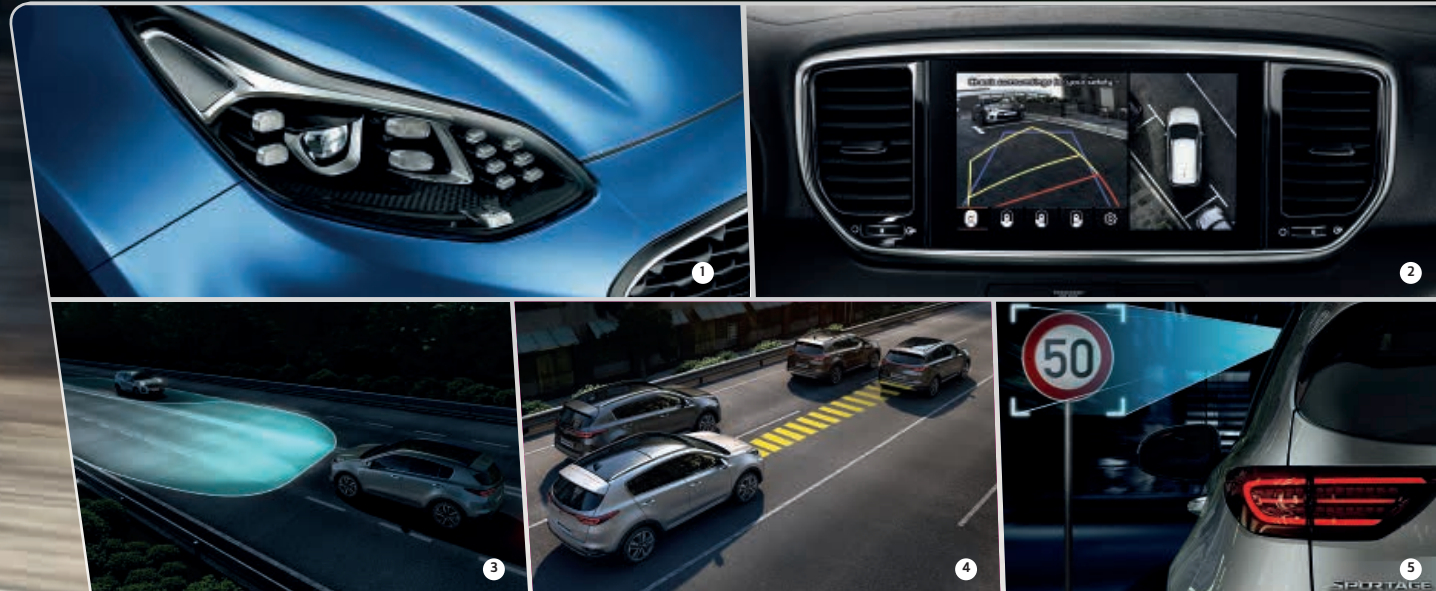

3

1. The slick Supervision Cluster with a large 4.2" TFT-LCD screen delivers precision information about the details of your trip.
2. Sit back and enjoy the beautifully comfortable, perforated black leather seats with grey stitching. The power adjustable seats offer added comfort with lumbar support, helping you adjust to your perfect position.
3. The sleek interior maximises both your comfort and style, thanks to a high-quality feel with premium, soft-touch materials, high-gloss inserts and satin chrome surroundings.
(All features are grade dependent)

Driver assistance

We've thought of everything so you don't have to.

The New Kia Sportage is packed with innovations to make every journey effortless. From helping you stay within the speed limit or maintaining a safe distance, to improving visibility or hassle-free parking – the New Sportage assists you all the way.

1. **Full LED headlamps** keep the road ahead crystal clear and nicely illuminated wherever you go.
2. **360 Degree Around View Monitor** uses four cameras to display a bird's eye view of the car. This gives you a better perspective of your surroundings and makes parking or manoeuvring easier.
3. **High Beam Assist (HBA)** works with a camera in the windscreen which detects the cars ahead and automatically switches to high or low beam to match the right driving conditions.
4. **Smart Cruise Control (SCC) with Stop and Go.** Using a camera and radar, Smart Cruise Control can regulate both the Sportage's speed and the distance to the vehicle in front. The system maintains the distance to the preceding vehicle by automatically modulating your car's speed. If the vehicle in front slows down and the predetermined safe distance cannot be maintained, the system will reduce the speed, or even stop the car. A helpful feature, particularly in stop and go traffic.
5. **Speed Limit Information Function (SLIF)** gives you all the necessary information to help you stay within the limits. Using the camera on the windshield, it reads speed limits and overtaking restrictions, and displays the information clearly on the navigation screen and cluster. (All features described are Grade dependent)

Convenience and comfort

Every trip will be like a holiday.

The New Kia Sportage is designed to be comfortable. More than comfortable, in fact. It's designed to make every trip wonderfully smooth, convenient and effortless. From keyless, hands-free technology like the Smart Power Tailgate, to high-tech chargers, to seats that let you stay comfortable no matter what the season – the New Sportage's range of super-smart features give you plenty of reasons to settle in and enjoy the ride.

(Smart Power Tailgate, heated/ventilated seats are all Grade dependent)

1

2

3

4

5

6

1. You'll never need to hunt for your keys again. The **Smart Key** gives you easy, keyless access to every ride, and the **Start/Stop button** lets you turn the engine on and off with a simple press.
2. The convenient **Wireless Charger** allows you to place phones with Qi technology or suitable cases directly onto the centre console for charging.
3. The **Tyre Pressure Monitoring System** shows details of each tyre's pressure so you can always keep them in optimum condition.
4. A **fast-charging rear USB socket** lets your rear passengers charge their devices conveniently.
5. Imagine having all the information you need on one screen. The **4.2" TFT-LCD screen on the Supervision Cluster** provides you with all the essentials – including turn-by-turn instructions for the navigation system, and all useful trip data.
6. **Heated front and outer rear seats, and ventilated front seats** keep you beautifully cool in summer and cosy in the chilly months.

(All features described are Grade dependent)

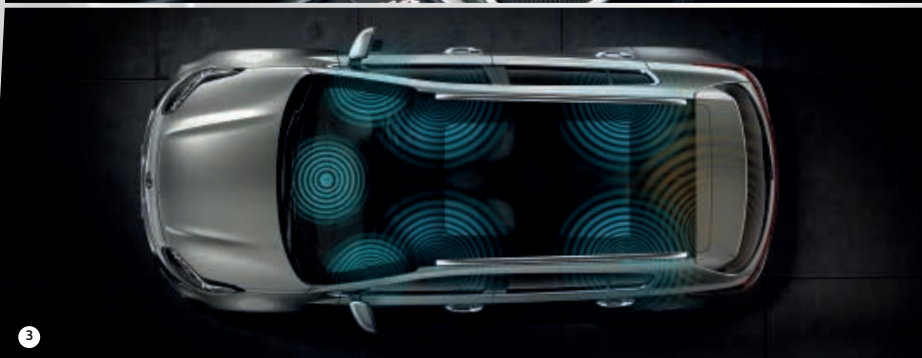

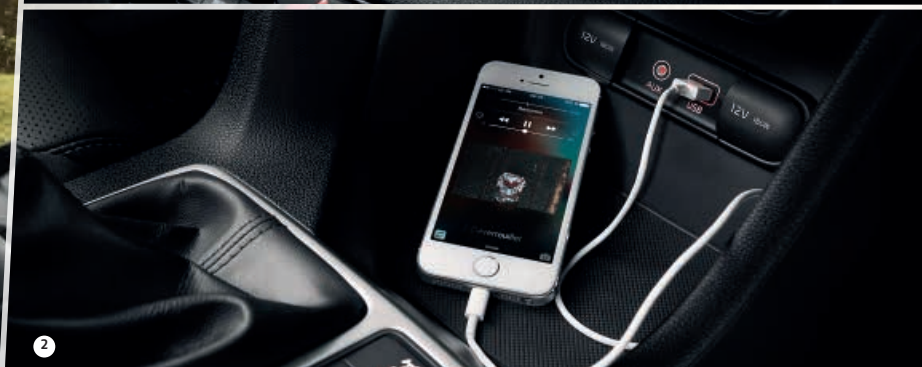

Connectivity

Connect, click and enjoy.

There's no need to worry about staying in the loop, because the New Kia Sportage is full of ways to stay connected and entertained. Thanks to Bluetooth®, you'll never have to miss a call – or your favourite tunes.

But the New Sportage doesn't stop there. A high-tech JBL Sound System provides top-quality sound. The Navigation System keeps you on the right track. And clever connection points make sure your favourite devices are never out of reach (Grade dependent).

1. The 8" frameless Navigation Screen ensures that you always know exactly where you're going. With 2D and 3D maps for the whole of Europe, as well as the availability of annual map updates, navigation has never been more accurate.

2. Let the music never stop: charge your device or listen to your favourite tunes via USB. There's one **USB port** situated in the front and one in the rear.

3. The **JBL Sound System** with 8 speakers features advanced Clari-Fi™ music restoration technology that improves the quality of MP3s and provides high-definition sound.

(All features described are Grade dependent)

Where? When? How? The answer is here.

Our new navigation system with Kia's Connected Services powered by TomTom Live Services takes reliable route guidance to the next level of accuracy and excellence. It keeps you in touch with the outside world and offers more handy information than ever. At the heart is a WiFi connectivity through your smartphone* that enables the New Sportage navigation system to connect to the Internet. (Grade dependent)

1. Live Traffic**:

The navigation system delivers highly accurate live traffic information that is updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

2. Speed Cameras**:

You'll also be alerted to a whole range of speed cameras, including fixed and stationary ones, as well as restricted access zones. The system can even take into account areas where accidents are particularly common, and warn you about these accident black spots.

3. Local Search:

If you're looking for a sushi restaurant, a supermarket or a particular place to meet, simply select Local Search. The database contains 500 searchable categories, 25,000 keywords and 250,000 places to ensure you find what you need.

4. Weather forecast:

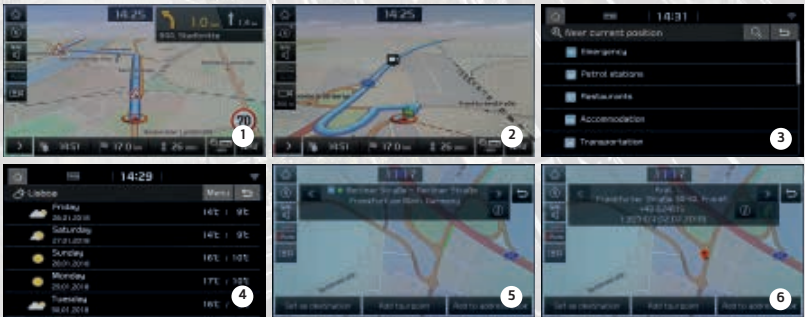

Is your weekend away going to be sunny or a washout? Better check the weather forecast. Just type in your destination to view a four-day summary, complete with minimum and maximum temperatures, wind speed and chances of sun or rain.

5. Parking information:

To help you park your car swiftly, the system will indicate parking areas before you arrive at your destination. It will show potential on-street parking spaces based on historic data, and off-street parking with colour-coded availability.

6. Fuel info:

When you're running low on fuel, the system will show you the nearest petrol stations and prices using a TomTom online database, so you can plan your refuelling stops accordingly.

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your Sportage's display, so you can get directions, make a call and listen to music – all while staying focused on the road.

Android Auto™ is designed to keep you perfectly connected to your phone – while minimising distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music, and voice control, and automatically organises info into simple cards that appear just when they're needed.

*Smartphone with data plan required to activate services. Please check with your Kia dealer for mobile phone compatibility.
**Legal restrictions to these services may apply depending on country usage.

Unmistakably sporty.

The New Kia Sportage GT-Line and GT-Line S combine sportiness and style. Distinctive design and head-turning features make these ultra-athletic cars hard to miss. But why would you want to?

The eye-catching mesh radiator grille design, dark chrome finishes, ice-cube LED fog lamps and dual exhaust (Trim only on diesel models) are just some of the highlights. To round things off, 19" alloy wheels complete the package.

- 1. 19" alloy wheels with machine finish give the GT-Line and GT-Line S a signature sporty style.
- 2. The exposed dual exhaust pipe and the silver painted skid plate add even more edgy appeal to the eye-catching exterior.

1. The GT-Line and GT-Line S aluminium pedals add a sporty feel.
2. The distinctive D-shaped steering wheel is a stand-out feature, with three spokes, perforated leather detailing and the GT-Line logo.

GT-Line interior design

Sporty, from the inside out.

The interior of the New Sportage GT-Line and GT-Line S are seriously impressive. You'll love the feel of the dedicated D-shaped steering wheel with three spokes and perforated leather. The black high-gloss centre fascia and stylish upper dash add equally bold style. To ensure you always sit comfortably, there is striking black leather upholstery with red piping and stitching. Lastly, the aluminium pedals keep things sporty right down to your toes.

Dynamics and capabilities

You might want to take a trip. Or twenty.

There's nothing quite like setting off on an adventure. And in the New Kia Sportage, you'll want to find any excuse to get out onto the road. That's because the New Sportage was built to give you full freedom and control, no matter where you go. Advanced SUV capabilities with intelligent All Wheel Drive (Grade dependent) continuously monitor driving conditions to maintain traction on rough, loose or slippery surfaces. It also helps improve lateral stability when cornering.

Thanks to the Rack-mounted Motor Driven Power Steering, you'll enjoy an even more refined drive – with smoother steering, better handling stability and direct driver response.

1. Hill Start Assist Control takes the hassle out of starting on an incline, by preventing you from rolling backwards.
2. Downhill Brake Control helps keep you nice and steady – and at a stable speed during steep descents.

Versatility and spaciousness

Plenty of space to enjoy – and share.

Because journeys are even more fun when they're shared, the New Kia Sportage gives you loads of room to enjoy. The uniquely configured cabin makes things just as comfy for your passengers as for yourself. In fact, with such spacious dimensions and reclining rear seats, every seat will feel like the best one. To give you the flexibility to use your space however you choose, the Sportage's rear seats are also able to fold to create an almost flat floor. And, with the generous capacity of the luggage compartment, you'll always have ample room.

1. For maximum versatility and flexibility, the convenient folding rear seats split 60:40.
- 2/3 The spacious luggage compartment is versatile, flexible and roomy with all seats in place. With the rear seats folded down, it offers an astonishing load capacity.

Interior upholstery

Feels just as good as it looks.

1. Forward Collision-Avoidance Assist (FCA)

The Forward Collision-Avoidance Assist is capable of detecting both the preceding vehicle and pedestrians crossing the road. Using sensors and a camera to monitor the proximity and velocity of vehicles, it warns the driver in the event of any potential collision risk. If there's no driver reaction, the car brakes automatically to avoid or mitigate an accident.

2. Blind-Spot Collision Warning (BCW)

The Blind-Spot Collision Warning has radar sensors that monitors your blind spots and warns you of oncoming cars with a flashing light on the side-view mirror.

3. Rear Cross-Traffic Collision Warning (RCCW)

When reversing out of a parking space or driveway, the radar-based Rear Cross-Traffic Collision Warning alerts you to potential traffic crossing your path.

4/5. Lane Keeping Assist (LKA) and Driver Attention Warning (DAW)

The Sportage's intelligent system of cameras and sensors is at work in a wide range of features: Lane Keeping Assist (LKA) alerts you when you unintentionally drift out of your lane and even steers you back when required. Driver Attention Warning (DAW) monitors the driver steering and acceleration pattern to detect if you're losing concentration and alerts you with a warning sound and a coffee cup symbol in the cluster. Features described are Grade dependent.

- 1. '1' Grade Black Cloth
- 2. '2' Grade Black Cloth
- 3. Edition 25 Black Cloth & Leather*

- 4. '4' Grade Black Leather*
- 5. GT-Line & GT-Line S Black Leather*

*Some parts of the leather contain faux leather

Engines

Smart engines. Clever technologies.

1

1. 1.6 Turbo GDi petrol

The 1.6 Turbo GDi ISG petrol engine offers an impressive 174 bhp. Also available are the 1.6 GDi ISG petrol engine, 1.6 CRDi ISG and the 2.0 CRDi ISG diesel engines.

2

2/3 Transmission

For quick, smooth gear changes, choose Kia's latest 6-speed manual transmission technology. Or opt for the latest generation 7-speed dual-clutch transmission for sporty driving paired with fuel efficiency. The electronically controlled 8-speed automatic transmission provides smooth, seamless shifting for a comfortable ride.

3

ECO dynamics+

CRDi Ecodynamics+ diesel mild-hybrid

The Ecodynamics+ mild-hybrid system combines green credentials with effortless everyday driving. The system pairs a CRDi diesel engine with a 48-volt lithium-ion battery. Operating seamlessly, the system recovers kinetic energy during deceleration phases and provides torque assistance when accelerating.

Start: The engine is started by the system to ensure a prompt and smooth start.

Torque assist: During acceleration or uphill driving, the system provides torque assistance by taking energy from the battery to support the engine.

Cruising: When driving at constant speed, the combustion engine partially recharges the battery on-the-go if the charge level is low.

Energy recuperation: When decelerating or braking, the energy generated by the vehicle motion is converted into electrical energy to recharge the battery.

Moving Stop & Start: When decelerating to a stop, the combustion engine turns off automatically during in-gear deceleration and braking to save fuel.

Accessories

Finish with a flourish.

The New Sportage is an impressive package – but there's always room to add a few extra touches. With a range of high-quality, genuine accessories that have been designed and engineered to enhance the looks and capabilities of the New Sportage, you have everything you need to make your car even more perfectly suited to your tastes. Just speak to your Kia dealer and we'll take care of the rest.

1. Textile floor mats, velour & white LED footwell illumination
High-quality velour mats protect the footwell and keep the interior looking fresh. Also available with GT-Line logo and double stitching on the border. The subtle white LED lighting provides welcome illumination that automatically switches on and off with the opening and closing of the doors.

2. Cross bars, aluminium
Sturdy lightweight aluminium cross bars purpose-made for the New Sportage roof rails. Easy installation and removal.

3. Door mirror caps
High-gloss stainless steel mirror covers add eye-catching detailing to the New Sportage. These can be harmoniously combined with other bright styling elements.

4. Boot liner
This light, waterproof and durable boot liner with raised edges protects the boot area from dirt, spills and grime.

5. Tow bar
A high-quality, corrosion-resistant tow bar offers you easy, secure and discreet underside mounting.

6. Cargo separator
Fitting perfectly between the rear seatbacks and the roof, this robust and easy-to-install grid protects you and your passengers from the movement of items in the boot.

7 more reasons to join our Kia family

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with the Kia Promise – 7 great owner benefits when you buy your Kia and register at MyKia.

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year warranty that comes with peace of mind for at least 100,000 miles.

If you've taken our complimentary 7 day insurance, we've got you covered from the minute you leave one of our dealers. We'll also give you a £250 excess return voucher which pays you back regardless of who you're insured with if you call Kia first. We will also provide you with a competitive quote for your annual cover.

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the RAC. All new cars have complimentary cover for 12 months from the first date of registration. If you register on MyKia, you can unlock Kia Roadside Assistance Plus, giving you the highest level of cover provided by the RAC, including onward travel and European cover.

Order Genuine Kia accessories, where and when you need them! Our Click & Collect service offers choice and convenience, recognising your model from the registration number to ensure you get exactly what you need. Then simply collect at your nearest Dealer, where they can fit them too.

Online service booking offers convenience and flexibility 24/7. Offering quality and value at one of our Dealers nationwide. Kia trained technicians use the latest diagnostic equipment and technology. All of our Genuine Kia parts come with a 2 year warranty. Fully inclusive pricing at the click of a button.

When you own a Kia, you become part of the family and benefit from a relationship based on trust and transparency. When you visit one of our dealers for a service, your vehicle will benefit from a complimentary Health Check, a wash and vacuum and alternative transport if needed. Welcome to the Kia family!

Available to all Kia owners, whoever your insurer and whatever the circumstances of the accident, Kia Accident AfterCare can take care of things for you. We'll liaise with your insurer, provide a free courtesy car and exercise your right to genuine Kia parts and repairs at a Kia Approved Bodyshop.

Care

For complete peace-of-mind, Kia can offer you a great value fixed-price servicing package for your New Sportage which is called Kia Care. Please speak to your Kia dealer for more information and pricing. Terms and conditions apply. Log onto www.kia.com/uk for details.

5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Log onto www.kia.com/uk for more details

Fully unlock these benefits **MyKia**
